CHANGE OF USE PERMITS AND INSPECTIONS

WHEREAS Section 7 of the Ontario Building Code Act 1992, S.O. 1992, Chapter 23 empowers Council to pass certain by-laws respecting construction, demolition, change of use *permits* and inspections;

NOW THEREFORE the Council of the Corporation of the Municipality of Dysart et al enacts as follows:

1. **SHORT TITLE**

This by-law may be cited as the Building By-law.

2. **DEFINITIONS** in this by-law:

- a) *Act* means the Ontario Building Code Act 1992, S.O. 1992 C. 23, as amended.
- b) *As constructed plans* means as constructed plans as defined in the Building Code.
- c) *Building* means building as defined in Section 1(1) of the *Act*.
- d) *Building Code* means the regulations made under Section 34 of the *Act*.
- e) *Chief Building Official* means the Chief Building Official appointed by by-law of the Corporation of the Municipality of Dysart et al.
- f) *Construct* means to do anything in the erection, installation, extension or material alteration or repair of a *building* and includes the installation of a *building* unit fabricated or moved from elsewhere and construction has a corresponding meaning.
- g) *Corporation* means the Corporation of the Municipality of Dysart et al.
- h) *Demolition* means to do anything in the removal of a *building* or any material part thereof and demolish has a corresponding meaning.
- i) *Municipal Housing Project Facilities* means the municipal housing project facilities class of municipal capital facilities, as set out in Ontario Regulation 46/94, as amended.
- j) *Permit* means written permission or written authorization from the *Chief Building Official* to perform work regulated by this by-law and the *Act* or to change the use of a *building* or part of a *building* or parts thereof as regulated by the *Act*.
- k) *Plumbing* means plumbing as defined in Section 1(1) of the *Act*.

3. **CLASSES OF PERMITS AND FEES**

- 1. Classes of *permits* and fees required for construction, demolition or change of use are set forth in Schedule A appended to and forming part of this by-law and are due and payable upon submission of an application for a *permit*.
- 2. The *Chief Building Official* shall calculate the required fee in accordance with Schedule A.

3. When construction has commenced prior to the issuance of the building *permit* the *permit* fee shall be double the amount provided for in Schedule A.
4. In the case of withdrawal of an application or abandonment of all or a portion of the work or non-commencement of any project the applicant may request in writing that the *Chief Building Official* determines the amount of paid *permit* fees that may be refunded to the applicant, if any in accordance with Schedule A of this by-law.
5. Transfer of *Permits*; a *permit* may be transferred to a new owner by submitting an up to date deed, by completing a Transfer of *Permit* Application and by submitting the required fee.

4. REQUIREMENTS FOR APPLICATIONS

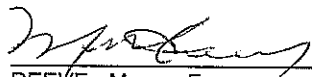

1. To obtain a *permit*, the owner or an agent authorized in writing by the owner shall file an application in writing by completing a prescribed form available at the offices of the Municipality or from the building code website www.obc.mah.gov.on.ca or by completing an application as provided by the *Chief Building Official* for a Change of Use *Permit* or Transfer of *Permit*.
2. Every application for a construction or demolition *permit* under Subsection 8(1) of the *Act* shall be submitted to the *Chief Building Official* and contain the following:
 - a) a completed provincial form "Application for a *Permit* to Construct or Demolish";
 - b) complete plans and specifications, documents and other information as required by Article 2.4.1.1B of the Building Code and as described in this by-law for the work to be covered by this *permit*;
 - c) required fees as calculated in accordance with Schedule "A"; and
 - d) any information requested by the *Chief Building Official* to enable him/her to determine that the proposal complies with any other applicable law.
3. When, in order to expedite work, approval of a portion of the *building* project is desired prior to the issuance of a *permit* for the complete project, application shall be made and the fees paid for the complete project. Where a *permit* is issued for part of a *building* project, this shall not be construed to authorize construction beyond the plans for which approval was given nor will that approval necessarily be granted for the entire *building* or project.
4. In addition to the requirements of subsection (2) above, every application for a conditional *permit* under subsection 8(3) of the *Act* shall:
 - a) state the reasons why the applicant believes that unreasonable delays in construction would occur if a conditional *permit* is not granted;
 - b) state the necessary approvals which must be obtained in respect of the proposed *building* and the time in which such approvals will be obtained;
 - c) state the time in which plans and specifications of the complete *building* will be filed with the *Chief Building Official*; and
 - d) include an agreement signed by the applicant in accordance with Building Code Act.
5. Every application for a change of use *permit* issued under section 10(1) of the *Act* shall be submitted to the *Chief Building Official* and shall include:
 - a) a completed application form as provided by the *Chief Building Official*;
 - b) a description of the *building* in which the occupancy is to be changed;
 - c) identification and description in detail of the current and proposed occupancies of the *building* or part of a *building* for which the application is made;
 - d) plans and specifications showing the current and proposed occupancy of all parts of the *building*, and which contains sufficient information to establish compliance with the requirements of the *Building Code* including floor plans, details of wall, ceiling and roof assemblies identifying required fire resistance ratings and load bearing capacities; and
 - e) the required fee.

6. Where application for a *permit* or for authorization to make a material change to a plan, specification, document or other information on the basis of which a *permit* is issued, contains an equivalent material, system or *building* design for which authorization under Section 9 of the *Act* is requested, the following information shall be provided:
- a) a description of the proposed material, system or *building* design for which authorization under Section 9 of the *Act* is requested;
 - b) any applicable provisions of the *Building Code*; and
 - c) evidence that the proposed material, system or *building* design will provide the level of performance required by the *Building Code*.

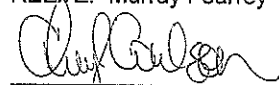

5. PLANS AND SPECIFICATIONS

1. Sufficient information shall be submitted with each application for a *permit* to enable the *Chief Building Official* to determine whether or not the proposed construction, demolition or changes of use will conform with the *Act* the *Building Code* and any other applicable laws and shall include the following:
- a) Two sets of plans drawn to scale and shall include: floor plans, foundation plans, framing plans, roof plans, *building* elevations, *plumbing* plans, heating and ventilation plans, except *plumbing* and heating and ventilation plans are not required for a detached house, semi-detached house or house containing not more than 2 dwelling units.
 - b) A Site Plan referenced to an up to date survey when available or to a drawing of the lot, neatly drawn, which shall indicate:
 - i. the dimensions of the lot (length, width);
 - ii. the location and size of the proposed *buildings* & all existing *buildings*;
 - iii. location of well, septic, easements (hydro, right of way etc) & entrance; and
 - iv. the setbacks of proposed *building* or addition from all lot lines, road, other *buildings* within 3 metres, the highwater mark, and the well and septic system.
 - c) If the application is for a Partial *Permit* the applicant shall provide a Site Plan as per Section b) and two sets of plans for that part of the *building* to be *constructed*. Construction shall not proceed beyond that part of the *building* that has been approved, until a complete set of plans has been submitted and written approval has been received from the *Chief Building Official*.
 - d) Plans submitted shall be legible in English, drawn to scale upon paper or durable material.
 - e) Plans and specifications furnished become the property of the *Corporation* and will be disposed of or retained in accordance with relevant legislation.
 - f) After the issuance of a *permit* under the *Act*, notice of any material change to a plan, specification or document or other information on the basis of which the *permit* was issued must be given in writing to the *Chief Building Official* together with the details of such change, which is not to be made without his or her written authorization.
 - g) The *Chief Building Official* may require that a set of *as constructed plans* be filed with the *Corporation* on completion of construction.
6. THAT By-law No. 2005-77 as amended, be and is hereby repealed.

READ a first, second and third time, signed and the Corporate Seal attached hereto this 4th day of July, 2011.
