

BLANKET LICENSING

If your group wishes to conduct more than one type of raffle event within a fixed time period, from one location, with the capped prize amount not exceeding \$50,000, then do we have a licence for you!

With a view to reduce the number of times you need to apply for a licence, AGCO has developed a Blanket Raffle Lottery application. The types of raffle events that may be conducted under a blanket licence include:

Stub Draws;
Elimination Draws;
50/50 Draws;
Meat Spins/Turkey Rolls;
“Name the Raffle”

Applications may be submitted to conduct any number of these raffle events for up to a maximum of 1 year, for a total prize board not exceeding \$50,000.

Blanket licence applications must include, in addition to the basic application requirements, the following information:

- Types of raffle lottery events to be conducted during the period;
- The number of raffle events to be held;
- The total number of tickets to be printed for each individual raffle, and the total value of all tickets printed for each event;
- The cost per ticket for each event;
- Location where events will take place;
- Scheduled dates for each raffle event to be held;
- Detailed explanation of the rules for each type of raffle event;
- Description of all prizes to be awarded and the approximate total retail value of all prizes to be awarded for each raffle event;
- Total value of all prizes to be awarded for the period; and
- The licence fee.

We have developed a sample “events schedule” that may be of assistance. It is important for you to note that separate ledgers must be kept for each raffle event, outlining the financial details including: proceeds derived, expenses paid, and a list of how the proceeds have been disbursed.

Each deposit slip must identify the date of the raffle event for each deposit made into the designated lottery trust account, and specify the total proceeds deposited for each individual event.
