Members of the Municipal Emergency Control Group are appointed through the Municipal Emergency Plan.

A delegation of authority by-law may also be passed to delegate specific authorities to the Mayor and CAO to include authorizing expenditures, handling personnel issues and acquiring or disposing of property as may be required.

19.2 In accordance with Section 236 of the *Municipal Act, 2001, as amended*, an Emergency Meeting of Council may be called by the Mayor at any time and at any location as may be convenient. For purposes of this section, an Emergency Meeting may be called for an emergency within the meaning of the Municipality's Emergency Response Plan.

19.3 In the absence of the Mayor, and the Deputy-Mayor, Council herein authorizes a member of Council to act in the place of the Head of Council for the purposes of declaring an emergency based upon seniority on Council.

20.0 Electronic Meeting Participation

20.1 A member of Council, a local board or a committee of Council may participate electronically in a meeting that is either open or closed to the public for a number of reasons including but not limited to medical reasons, illness, municipal or personal business conflict, a weather event, or in the event of an emergency in which physical distancing, limited gatherings and/or quarantine measures are required, as well as any restrictions or guidelines set out by the local, provincial or federal public health agencies, and/or the Province of Ontario. Requests for electronic participation for other circumstances not listed shall be permitted at the discretion of the Chair.

- 20.2 Any member of Council, a local board or a committee of Council who is participating electronically shall make every effort to notify the Clerk or designate forty-eight (48) hours in advance of the meeting.
- 20.3 A member of Council, of a local board or of a committee of Council who is participating electronically in a meeting shall be counted towards quorum.
- 20.4 The Clerk or designate may provide for electronic participation of staff, including the Clerk.
- 20.5 Depending on circumstances, meetings may be conducted via teleconference, video conferencing or other means as deemed appropriate in the circumstances. For clarification, electronic participation includes telephone, video, audio or audio-visual conferencing or any other interactive method as deemed appropriate.
- 20.6 The Chair will call the meeting to order and the Clerk or designate will call the roll and record those members present.
- 20.7 The Chair or Clerk, or designates, will read motions and call for a mover and seconder.
- 20.8 During a vote, members participating via video shall raise their hand until the Chair has confirmed the vote. The Chair will call on members that are participating by telephone to state their vote to ensure accurate recording for the minutes. If the vote is unclear, the Chair may call for a verbal vote, yes or no, which shall be recorded by the Clerk or designate.
- 20.9 Agendas and/or notices of open meetings shall advise how members of the public may observe the proceedings.
