Section 1 INTERPRETATION AND ADMINISTRATION

1.1 TITLE

This By-law, By-law 2005-120 of the *Municipality* as amended from time to time, may be cited as the "Municipality of Dysart et al Comprehensive Zoning By-law" and is referred to within this By-law as "this By-law".

1.2 SCOPE

(a) Subject Lands

The provisions of this By-law shall apply to all lands and waters within the *Municipality*, except for all lands and waters within the boundary of Algonquin Provincial Park including the geographic townships of Bruton and Clyde and part of the geographic township of Eyre.

(b) Compliance

No *structure* shall be *constructed* on any *lot*, nor shall any *lot* be *altered*, nor shall any *use* of any *structure* or *lot* be changed, in whole or in part, except in accordance with the provisions of this By-law.

(c) Continued Use

Nothing in this By-law shall prevent the continued *use* of any *legal non-complying lot* or *structure* or any *legal non-conforming use* or *structure*, and no amendment or minor variance to this By-law will be required to permit that continued *use*, so long as there is no change in *use*.

(d) Building Permit Required

The requirements of this By-law must be met before any *building permit* is issued by the *Municipality*.

(e) Building Permit Issued (By-law 2007-34)

Nothing in this By-law shall prevent the *construction*, location, or *use* of any *structure* for a purpose prohibited by this By-law if a *building permit* application for the *structure* was received before December 12, 2005, provided that the following requirements are met.

- (i) *Construction* of the *structure* is begun by December 12, 2006 and is completed within a reasonable time.
- (ii) When the *structure* is *constructed*, it shall be *used* and shall continue to be *used* for the purpose for which the *building permit* was issued.

(f) Compliance with Other Law

Nothing in this By-law shall reduce or mitigate any requirement to comply with any law or regulation of Canada or the Province of Ontario, any by-law of the *County*, or any other by-law of the *Municipality*.

(g) Navigation and Shipping

Nothing in this By-law shall constitute regulation of navigation or shipping, which is within the exclusive jurisdiction of Canada.

1.3 INTERPRETATION

(a) Definitions

Any term that appears in *italics*, other than the name of a statute or regulation, is defined in Section 2 of this By-law. Any term that is used in any amending by-law and is defined in Section 2 of this By-law, and that does not appear in *italics* in the amending by-law, shall still be defined in accordance with Section 2 of this By-law unless the context of the amending by-law clearly and obviously requires otherwise.

(b) Headings and Illustrations

The headings of the sections of this By-law, the titles on the Schedules, the explanatory text provided under the heading "explanatory note" in Sections 2, 5, and 9 of this By-law, and the explanatory illustrations at the end of Section 2 of this By-law, have all been provided for convenience only, and in no way further define, limit, or enlarge the scope or meaning of any provision of this By-law.

(c) Singular and Plural

In this By-law, unless the context requires otherwise, words used in the singular include the plural, and words used in the plural include the singular.

(d) Shall is Mandatory

In this By-law, the word "shall" is mandatory.

(e) Used and Occupied

In this By-law, unless the context requires otherwise, the word "used" also means "designed to be used", and the word "occupied" also means "designed to be occupied".

(f) Legislation

All references in this By-law to legislation, regulations, or by-laws of Canada, the Province of Ontario, the *County*, or the *Municipality* are to those documents as amended from time to time or to their successors.

(g) Metric Measurements

The metric measurements used in this By-law are the only measurements to be used to determine compliance. Recognized abbreviations for metric measurements have the same meaning as the full names of those measurements. Any imperial measurements provided are for convenience only.

(h) Distances and Areas Horizontal

All distances and areas in this By-law are deemed to be in the horizontal plane unless indicated otherwise.

1.4 SCHEDULES

Schedule "A", consisting of nine maps, Schedule "B" and Schedule "B-1" are attached to and form part of this By-law.

1.5 ENFORCEMENT

Any *person* who contravenes this By-law is guilty of an offence and on conviction is liable to a penalty in accordance with the *Planning Act*.

1.6 SEVERABILITY

A decision of a court that any provision of this By-law is invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of provisions of this By-law.

1.7 REPEAL OF PREVIOUS BY-LAWS

All By-laws of the *Municipality* passed under Section 34 of the *Planning Act*, R.S.O. 1990 as amended, or a predecessor section of that Act, before December 12, 2005, are repealed.

Section 2 DEFINITIONS

The terms in Section 2 are defined as follows wherever they occur in *italics* in this By-law.

Explanatory Note: All terms are listed in alphabetical order, except for several terms related to and grouped under "storey" and "tourist establishment". Appropriate cross-references are provided. For example, "hotel", which is not in alphabetical order, is below "tourist establishment", which is, and a cross-reference is listed at "hotel". Docks are not defined; see "*marine facility*".

2.1 ACCESSORY

A *use* or *structure* that is subordinate, incidental, and exclusively devoted to the *permitted main use* or *main building*.

ACCESSORY DWELLING - See DWELLING, ACCESSORY

ACCESSORY DWELLING UNIT - See DWELLING UNIT, ACCESSORY

ADDITIONAL DWELLING UNIT - See DWELLING UNIT, ADDITIONAL

2.2 ALTER

When used in reference to a *structure* or part thereof:

- (a) to change any one or more of the external dimensions of the *structure*; or
- (b) to change the type of *construction* of the exterior walls or roof of the *structure*; or
- (c) to change the *use* of the *structure*; or
- (d) to change the number of *uses* or *dwelling units* contained in the *structure*.

When used in reference to a *lot*:

- (e) to change any boundary of the *lot* that abuts a *street* or *lane*; or
- (f) to change any dimension or area of or pertaining to the *lot* that is the subject of a *zone provision*; or
- (g) to change the *use* of the *lot*; or
- (h) to change the number of *uses* located on the *lot*.

"Altered" and "alteration" have corresponding meanings.

2.3 ATTACHED (By-law 2020-65)

When used in reference to a dwelling or enclosed building, means a building otherwise complete in itself, which depends upon a division wall or walls shared in

Land, or land under water, from which unconsolidated aggregate has been or is being excavated, and that has not been rehabilitated. A pit does not include a *wayside pit*, or any excavation incidental to the *construction* of a legal *structure*, and/or public works, or to landscaping, or site preparation.

2.134 PLACE OF WORSHIP

A *building* or *buildings* owned or occupied by a religious organization as defined in the *Religious Organizations' Lands Act*, which are dedicated exclusively to worship and other religious activities.

2.135 PLANTING STRIP (2011-83)

An area where vegetation is substantially maintained or re-established in its natural state or vegetation is planted for the purpose of obscuring or screening *buildings*, *structures*, parking or other activities on a *lot*. A planting strip does not include a *shoreline vegetation buffer*. Where approved by a site plan agreement, a planting strip may be a *fence*, berm or other screening barrier. The general provisions for a *planting strip* are outlined in Section 3 of this By-law.

2.136 PLANTING STRIP WIDTH

The minimum *permitted* width of a *planting strip*, measured perpendicular to the abutting *lot line*.

2.137 PRIVATE CABIN

An *accessory building* that is not *attached* to the *dwelling* used for sleeping accommodation, or for the occasional accommodation of guests in which sanitary facilities may be provided but which contains no *kitchen* or cooking facilities. A *private cabin* includes a *yurt*, but does not include a *park model trailer* or *tent*, and shall not be used to provide monetary gain.

PRIVATE GARAGE - See GARAGE, PRIVATE

PRIVATE PARK - See PARK, PRIVATE

PUBLIC PARK - See PARK, PUBLIC

2.138 PUBLIC USE

A *structure* or *lot* used for public services by the *Municipality*, the *County*, the Province of Ontario, Canada, or any telecommunications or gas utility company.

2.139 QUARRY (2011-83)

Land, or land under water, from which consolidated aggregate has been or is being excavated, and that has not been rehabilitated. A quarry does not include a *wayside quarry*, or any mine as defined in the *Mining Act*, or any excavation incidental to the *construction* of a legal *structure*, and/or public works, or to landscaping, or site preparation.

2.140 QUONSET HUT (2011-83)

A prefabricated *structure* made of corrugated metal, shaped like a longitudinal half of a cylinder resting on its flat surface. The general provisions for a *quonset hut* are outlined in Section 3 of this By-law.

2.141 RAFT

A seasonal and non-motorized platform, *constructed* of timber or other materials and fastened together for floating on water, without any temporary or permanent cover, used for swimming and recreational purposes, that is *attached* to the ground below the *high water mark*, and to no other ground and surrounded by water on all sides. (See Illustration 4 at the end of Section 2.) A *raft* is not a *marine facility*. The general provisions for a *raft* are outlined in Section 3 of this By-law.

REAR LOT LINE - See LOT LINE, REAR

REAR MINIMUM LOT LINE SETBACK - See MINIMUM LOT LINE SETBACK, REAR

2.142 RECREATIONAL CAMP

A *recreational camp* as defined in the Recreational Camps Regulation under the *Health Promotion and Protection Act*.

2.143 RECREATIONAL ESTABLISHMENT

A pool hall, bowling alley, games arcade, dance hall, curling or skating rink, or similar *use*.

2.144 RECREATIONAL VEHICLE

A *motor vehicle* designed for temporary living, sleeping, or eating accommodation. A *recreational vehicle* includes a camping vehicle.

RESIDENTIAL USE - See USE, RESIDENTIAL

RESORT - Listed below TOURIST ESTABLISHMENT

2.145 RESTAURANT

A *building*, or a part of a *building*, where food is offered for sale or sold to the public primarily for consumption on the premises. A *restaurant* does not include a *drive-through restaurant*.

2.146 RESTAURANT, DRIVE-THROUGH

An establishment where food is offered for sale or sold to the public for consumption on or off the premises, and where some or all of the food for off-premises consumption is dispensed directly to *persons* remaining in their *motor vehicles* who queue for service in an aisle dedicated for that purpose.

2.147 RESTAURANT, TAKE-OUT

An establishment where food is offered for sale or sold to the public primarily for consumption off the premises. A take-out *restaurant* does not include a *drive-through restaurant*.

2.148 RETAIL STORE

A *building* or part of a *building* in which goods, wares, merchandise, substances, articles, or things are offered or kept for retail sale or rent. Retail sale or rent does not include sale by auction. A *retail store* does not include any other *use* specifically defined or named in this By-law.

ROOM, GUEST - See GUEST ROOM

2.149 SALVAGE YARD

An establishment where goods, wares, merchandise, substances, articles, or things are stored wholly or partly in the open for sale or processing for further use. A *salvage yard* includes a junk yard, a scrap yard, or an automobile wrecking yard, but does not include an *automobile service station*, a *body shop*, a *commercial garage*, or a *vehicle agency*.

2.150 SANITARY SEWER SYSTEM

A sewer system, owned or controlled by the *Municipality*, which carries domestic, commercial, or industrial sewage to a *sewage treatment facility*.

2.151 SAUNA, OUTDOOR

An *accessory building* or *structure* wherein facilities are provided for the purpose of a steam bath and may include a change room, having a maximum *gross floor area* of 10 square metres.

2.152 SCHOOL

A school or a private school as defined in the *Education Act*, or a college of applied arts and technology.

2.153 SCHOOL OR CLUB, COMMERCIAL

An establishment where specialized education is provided in language, the arts, business, careers, or similar specialized subjects, or where tutorial services are provided, or where athletic, fitness, or health facilities and/or education are provided. A commercial school or club does not include any other *use* specifically defined or named in this By-law.

SEASONAL DWELLING - See DWELLING, SEASONAL

2.154 SELF-SERVICE STORAGE BUILDING

A *building used* primarily to provide individual spaces or lockers that are rented or leased to the public for temporary storage of their possessions.

SEMI-DETACHED DWELLING - See DWELLING, SEMI-DETACHED

2.155 SETBACK DISTANCE, MAIN BUILDING

The least distance between a *front lot line* and the nearest part of the *main building* on the *lot*.

2.156 SEWAGE TREATMENT FACILITY

A sewage works requiring approval under the *Ontario Water Resources Act*.

SHORELAND LOT COVERAGE - See LOT COVERAGE, SHORELAND

2.157 SHORELINE

A *lot line* which coincides with a *high water mark*, or which abuts an original shoreline road allowance that has not been closed and added to the abutting *lot*.

SIDE LOT LINE - See LOT LINE, SIDE

2.158 SHORELINE VEGETATION BUFFER (2011-83)

A natural area, adjacent to the *high water mark* of a *waterbody*, maintained in a natural state with native vegetation, or where disturbed by past activities, re-established and restored to a natural state using native vegetation. The general provisions for a *shoreline vegetation buffer* are outlined in Section 3 of this By-law.

2.159 SIGHT TRIANGLE

A triangular part of a *corner lot*, formed by the intersecting *street lines*, and a line drawn from a point in one *street line* across the *lot* to a point in the other *street line*, each point being 9 metres from the intersection of the *street lines*, measured along the *street lines*. Where the *street lines* are curved, the intersection of the *street lines* shall be deemed to be the intersection of lines that are tangent to the *street lines* where the *interior side lot lines* intersect the *street lines*. (See Illustration 1 at end of Section 2.)

2.160 SIGN

A name, identification, description, device, display, or illustration which is *attached* to or represented directly or indirectly upon a *structure* or *lot* and which identifies, advertises, or directs attention to an object, product, place, activity, *person*, institute, organization, or business.

SINGLE-FAMILY DWELLING - See DWELLING, SINGLE-FAMILY

2.161 SKI AREA

A public or private area operated for the purpose of downhill skiing, snowboarding, snow tubing, cross-country skiing, snowshoeing, or similar activities. A *ski area* consists of ski slopes, lifts, tows, and/or trails, and includes any *accessory* chalet, equipment sales and rental, and other recreational facilities. A *ski area* does not include a *tourist establishment*. A *ski area* does not include a *lot* whose *main use* is not a *ski area* but on which are located cross-country ski or snowshoe trails that are part of a larger trail system.

STANDARD WATERFRONT LOT - See LOT, STANDARD WATERFRONT

2.162 STOREY

The part of an *enclosed building* contained between the top of any floor and the top of the floor next above it, or if there is no floor next above it, the ceiling above it. A *storey* does not include an *attic*.

2.163 STOREY, FIRST

The *storey* that has its finished ceiling at least 1.8 metres above *average finished grade*, whose floor is closest to *average finished grade*.

2.164 ATTIC

A part of a *building* located between the roof and the ceiling of the highest *storey*.

2.165 BASEMENT

A *storey* below the *first storey*.

2.166 STORM SEWER SYSTEM

A sewer system which carries surface runoff from precipitation or snow melt, but does not carry domestic, commercial, or industrial sewage.

2.167 STREET

A public highway, including its road allowance, under the jurisdiction of the *Municipality*, the *County*, or the Province of Ontario. A street does not include a *lane*, a private right-of-way, or an original shoreline road allowance.

2.168 STREET, FULLY MAINTAINED

An *improved street* under the jurisdiction of the *Municipality* and which the *Council* has determined is to be fully maintained year-round, or under the jurisdiction of the *County* or the Province of Ontario.

2.169 STREET, IMPROVED

A *street* which the *Municipality*, the *County*, or the Province of Ontario has assumed and improved to permit its use by public vehicular traffic.

2.170 STREET ACCESS

When used in reference to a *lot*, the *lot* has a *lot line* which is also a *street line*.

2.171 STREET LINE

A *lot line* which is the limit of a *street's* road allowance and divides the *lot* from the *street*.

2.172 STREET SETBACK

The least distance between the centre line of the travelled portion of an *improved street* and the nearest part of any *enclosed building* on the *lot*, measured perpendicular to the centre line.

2.173 STRUCTURE

A building or any other constructed thing, the use of which requires location on or in the ground or attachment to something having location on or in the ground. A structure includes plumbing not located within another structure, a sewage system, and any structure designated in the Ontario Building Code. A structure does not include a raft. For greater certainty, outdoor swimming pools, outdoor hot tubs, telecommunications antennas and towers, and *wind turbines* are structures.

2.174 STRUCTURE HEIGHT

The vertical distance between *average finished grade*, and the highest point of the *structure* exclusive of any *accessory roof construction* such as a chimney, steeple, antenna, guard, or handrail.

2.175 TOURIST CAMP

A public or private area which is *used* to provide temporary or seasonal accommodation to the travelling or vacationing public or to members of an organization, in tents, *tourist trailers*, *recreational vehicles*, or *park model trailers*.

2.176 TOURIST ESTABLISHMENT

An establishment which provides temporary accommodation for the travelling or vacationing public, and is owned as a single holding and managed as a single operation. *Accessory uses* may include one or more *liquor licensed premises*, *restaurants*, meeting rooms, recreational facilities, or similar *uses*. No *dwelling or dwelling unit* is *permitted* in a *tourist establishment* other than an *accessory dwelling* or *accessory dwelling unit*.

2.177 HOTEL

A *tourist establishment* which contains 4 or more *guest rooms*, with each *guest room* either served by a common entrance or having a separate entrance directly from outside the *building*. A *hotel* includes a motel.

2.178 LODGE

A *tourist establishment* which contains *guest cabins*, *guest suites*, and/or *guest rooms*, such that the total number of *guest units* and *guest rooms* is 4 or more.

2.179 RESORT

A *tourist establishment* which contains *guest cabins*, *guest suites*, and/or *guest rooms*, such that the total number of *guest units* and *guest rooms* is 4 or more. A resort may rent or grant rights to *use guest cabins*, *guest suites*, and *guest rooms* through various forms of tenure such as timesharing, interval ownership, and fractional ownership, provided all booking and allocation are undertaken as part of the continued management of the resort as a single operation. The maximum *habitation* in a resort per *family* shall not exceed 70 days per year. *Accessory uses* may include *retail stores*, *personal service shops*, *laundromats*, or similar *uses*.

2.180 TOURIST TRAILER

A *vehicle* capable of being towed on its own chassis, even if its running gear is or may be removed, and designed for temporary or seasonal living, sleeping or eating accommodation. A tourist trailer does not include a *mobile home*.

2.181 TRAILER

A trailer as defined in the *Highway Traffic Act*.

2.182 URBAN AGRICULTURE (By-law 2020-65)

An *accessory use*, that is the practise of cultivating, processing and distributing food for personal consumption, donation or with the intention of produce for sale. *Urban Agriculture* includes backyard gardens, berry patches, shared gardens, container gardening, edible landscaping, greenhouse agriculture, herb gardens, urban farms, orchards and vineyards, rooftop gardens, schoolyard gardens as well as beehives, aquaculture, agroforestry, hydroponics and aquaponics. The general provisions for *Urban Agriculture* are outlined in Section 3 of this By-law.

2.183 USE

When used as a noun, the purpose for which all or part of a *lot* or *structure*, or any combination of these, is designed, arranged, intended, occupied, or maintained.

When used as a verb, "use" has a corresponding meaning.

2.184 USE, MAIN

The principal *use* of a *lot*.

2.185 USE, NON-RESIDENTIAL

Any *use* that is not a *residential use*.

2.186 USE, RESIDENTIAL

A *dwelling*, a *dwelling unit*, or a *private cabin*.

2.187 VEHICLE

A *motor vehicle*, a *trailer*, a traction engine, a farm tractor, a road-building machine, a bicycle, a snowmobile, a boat, or any other vehicle drawn, propelled, or driven by any kind of power, including muscular power.

2.188 VEHICLE AGENCY

An establishment *used* primarily for the storage of *vehicles* for sale, rent, or lease. *Accessory uses* may include facilities for the repair or maintenance of *vehicles*. A vehicle agency does not include a *marina*.

2.189 VEHICLE PERMIT

A vehicle permit issued under the *Highway Traffic Act* or a permit issued under the *Motorized Snow Vehicles Act*.

2.190 VERANDA

A porch or *balcony* that is *enclosed*.

2.191 VETERINARY CLINIC

An establishment *used* primarily for the diagnosis and treatment of animals that may include indoor and outdoor facilities for the housing of animals.

2.192 WASTE DISPOSAL SITE

A waste disposal site requiring approval under the *Environmental Protection Act*.

2.193 WATER ACCESS

When used in reference to a *lot*, the *lot* has a *lot line* which is also a *shoreline*.

2.194 WATER BODY

A lake, pond, river, stream, or any other area which is permanently covered by water. A water body does not include a human-made drainage or irrigation channel, lands that are seasonally covered by water, lands which may be subject to intermittent flooding, or a human-made recreational pond, without an inlet or outlet *waterbody*.

2.195 WATER SUPPLY PLANT

A water works requiring approval under the *Ontario Water Resources Act*.

2.196 WATER SYSTEM

A pipe and storage system, owned or controlled by the *Municipality*, which distributes drinking water from a *water supply plant*.

2.197 WAYSIDE PIT OR QUARRY

A temporary *pit* or quarry opened and *used* by or for a public authority solely for the purpose of a particular project or contract of road construction.

2.198 WIND TURBINE

A machine or device for converting the kinetic energy in wind into electrical energy that is suitable for use. A wind turbine includes a tower, housing, blades and related appurtenances.

2.199 WIND TURBINE, HEIGHT

The vertical distance between the *average finished grade* and the highest point of the *structure* measured as the aggregate total of the base, tower and blade, when the blade is in a vertical position.

2.200 YARD (By-law 2009-31)

- (a) Front yard: all of a *lot* between a *front lot line* and the *main building setback distance* from that *front lot line*.
- (b) Rear yard: all of a *lot* between a *rear lot line* and the *main building setback distance* from that *rear lot line*.
- (c) Side yard: all of a *lot* between a *side lot line* and the *main building setback distance* from that *side lot line*."

2.201 YURT (By-law 2020-65)

A circular domed accessory *building*, not attached to a *dwelling*, used as a *private cabin* and complying with the provisions for a *private cabin* that is portable and self-sufficient, usually consisting of a wooden frame covered by felt or canvas.

2.202 ZONE

A part of the *zoned area* delineated on Schedule "A" of this By-law, in which there are specific *permitted uses* subject to specific *zone provisions*.

2.203 ZONE PROVISION

Any provision of this By-law which is listed in the Zone Provisions table for that *zone* in Sections 5 to 10 of this By-law, or any similar provision of this By-law which applies to a particular *zone* or *use*.

2.204 ZONE SYMBOL

An alphanumeric acronym for the full name of a *zone*; for example, WR1 is the zone symbol for the Waterfront Residential Type 1 *Zone*.

2.205 ZONED AREA

All lands and waters within the *Municipality*, with the exception of all lands and waters within the boundary of Algonquin Provincial Park including the geographic townships of Bruton and Clyde and part of the geographic township of Eyre.

GENERAL PROVISIONS

The provisions in Section 3 apply to the entire *zoned area*, except where specifically provided otherwise in this Section or elsewhere in this By-law.

3.1 ACCESSORY STRUCTURES AND USES

(a) Permitted Structures and Uses (2011-83)

Where this By-law provides that a *lot* may be *used* or that a *structure* may be *constructed* or *used* for any purpose, that purpose shall include any *accessory structure* or *use*, provided the *main building* is already located or the *main use* is already established on the *lot*, or the *accessory structure* is a *marine facility* abutting a *lot*.

An *accessory structure* or *use* shall not include any of the following, except as specifically *permitted*:

- (i) any occupation for gain or profit conducted within or *accessory* to a *dwelling unit* or on its *lot*;
- (ii) any *structure used* for *habitation*;
- (iii) a water closet, unless located in a *private cabin*;
- (iv) a *boathouse*."

(b) Structures Permitted in Minimum Setback Areas (2011-83)

Despite any setback provision of this By-law, the following *accessory structures* are *permitted* in *minimum setback areas*:

- (i) drop awnings, clothes poles, flagpoles, gates, garden trellises, and retaining walls;
- (ii) stairways, walkways, boardwalks, or landings that have no temporary or permanent cover and that are not more than 1.5 metres wide;
- (iii) *decks and patios* that are not attached to a *building* and are located within a *minimum water setback* area abutting a shoreline or high water mark, restricted to a *gross floor area* not exceeding 20 square metres, and shall comply with the side lot line setback for a main building.
- (iv) *signs*, or similar *uses* which comply with the by-laws of the *Municipality*;
- (v) *fences*, except any *fence* which is greater than 1.2 metres in height and located in a *minimum water setback* or in the *front yard* of a *lot* in the "C" zone;
- (vi) underground portions of sewage systems, *leaching beds* excepted, to the extent *permitted* by the *Ontario Building Code*;

- (vii) plumbing not located within another *structure*, including lake water intake lines."

(c) Additional Dwelling Units

Where an *additional dwelling unit* is a *permitted use*, despite any provisions of this By-law it is *permitted* subject to the following requirements:

- (i) An *additional dwelling unit* shall only be *permitted* on *lots* which permit a *residential use*, other than an *accessory residential use*.
- (ii) An additional dwelling unit shall be developed in the form of a single-family dwelling, semi-detached dwelling, duplex dwelling, or converted dwelling.
- (iii) On a lot which does not have full municipal water and sewage services, a maximum of one additional dwelling unit shall be permitted.
- (iv) On a lot which does not have full municipal water and sewage services, a well and septic report is required to accompany a Building Permit for the additional dwelling unit.
- (v) An additional dwelling unit shall only be permitted on a lot with frontage on a fully maintained street.
- (vi) A minimum of one additional parking space shall be provided for the additional dwelling unit in accordance with Section 3.22 of this By-law.
- (vii) Despite the provisions of this By-law, where an accessory building is an additional dwelling unit, the additional dwelling unit shall comply with the minimum lot line setbacks for a main dwelling.
- (viii) No part of an additional dwelling unit shall be located within the front yard.
- (ix) An additional dwelling unit and its leaching bed shall not be permitted within 300 metres of a lake trout lake that is classified as "at capacity" for additional development.
- (x) The maximum gross floor area of an additional dwelling unit shall not be greater than 75% of the gross floor area of the main dwelling unit.
- (xi) Despite the provisions of this By-law, no minimum floor area shall be required for an additional dwelling unit, except as may be required by the building or fire code.
- (xii) An additional dwelling unit shall not be used as a short-term rental.

(d) Marine Facilities

Where a *marine facility* is a *permitted use* in a LR or EP Zone, despite any setback provision of this By-law it is also *permitted* in a *minimum setback area* abutting a *shoreline* or *high water mark* abutting the LR or EP Zone, and it is *permitted* subject to the following requirements.

- (i) A *marine facility* shall be located entirely below the *high water mark*, unless it is a boat launching ramp or a marine railway, part of which may be located above the *high water mark*.
- (ii) Despite any setback provision of this By-law, a *marine facility* shall be located no closer to a *side lot line* that is not a *shoreline*, or to a line projected into the water from the intersection of the *side lot line* and the *front lot line*, which projected line is perpendicular to a line tangent to the *front lot line* at that intersection than:
 - In the case of a *lot* having a *lot frontage* of 33.5 metres or Less, the minimum setback is 4.5 metres;
 - In the case of a lot having a lot frontage greater than 33.5 metres, the minimum setback is 7.5 metres; and
 - If the marine facility serves two abutting lots, it may straddle or abut the lot line between the two lots.

(See Illustration 5 at end of Section 2.)

- (iii) The sum total of the *marine facility width*, plus the *marine facility widths* of all *marine facilities* already located on the *lot* or in the LR or EP Zone abutting the *lot*, shall not exceed 30% of the *lot frontage* or 12 metres, whichever is less.

(e) Private Cabins (By-law 2007-34, 2011-83)

Where a *private cabin* is a *permitted use*, it is *permitted* subject to the following requirements.

- (i) No part of any *private cabin* shall be located within a *front yard* abutting a *shoreline*.
- (ii) A *private cabin* shall either be a detached one storey building, or be located within a one or two storey accessory building provided that the *private cabin* is entirely located on one storey. Where the *private cabin* occupies part of a one storey accessory building, all other uses in the building shall be accessory, and shall be separated from any other uses by a common wall and shall have

an independent entrance. Where the *private cabin* is the second *storey* of a two *storey accessory building* the provisions of Section 3.1(f) shall apply.

- (iii) The *gross floor area* of a *private cabin* shall not exceed 45 square metres. Where the *private cabin* occupies the second *storey* of a two *storey accessory building* the maximum floor area of the second *storey* shall be restricted to 45 square metres measured from the exterior walls but excluding any area where the height between the top of the floor and the finished ceiling is less than 1.5 metres. The calculation of the maximum floor area of the second *storey* of a two *storey accessory building* shall include any *veranda* but shall exclude any *deck* or *balcony* or any stairwell.
- (iv) The total *ground floor areas* of all *decks*, *patios* and *balconies*, any part of which is *attached* to or within 2 metres of the *private cabin*, or to the *accessory building* the *private cabin* is located within, shall not exceed 15 square metres. *Verandas* are included in the calculation of *gross floor area* of a *private cabin*.
- (v) Despite the provisions of Tables 5.2, where an *accessory building* is a *private cabin*, the *private cabin* shall comply with the *minimum lot line setbacks* for the *main building*."

(f) Two Storey Accessory Structures (2011-83)

Where a two *storey accessory structure* is a *permitted use*, it is *permitted* subject to the following requirements:

- (i) The second *storey* of a two *storey accessory structure* shall be restricted to a *private cabin* or an *additional dwelling unit*.
- (ii) If the second *storey* of a two *storey accessory structure* is a *private cabin*, the maximum floor area of the second *storey* of a two *storey accessory building* shall be restricted to 45 square metres as per Section 3.1(e)(iii) of this By-law.
- (iii) The total *ground floor area* of all open *decks*, *patios*, and *balconies* any part of which is *attached* to or within two metres of a two *storey accessory building* shall not exceed 15 square metres.
- (iv) Despite the provisions of this By-law, where an *accessory building* is a two *storey accessory building*, the two *storey accessory building* shall comply with the *minimum lot line setbacks* for the *main building*.
- (v) The second *storey* of a two *storey accessory building* will comply with the general provisions of this By-law for *private cabins* or *additional dwelling units*.

(g) Outdoor Wood Burning Appliance

An outdoor wood burning appliance, which is used for the space heating of *buildings and structures*, is *permitted* subject to the following requirements:

- (i) The *minimum lot line setback* for an outdoor wood burning appliance shall be 30 metres from any *lot line*.
- (ii) The *construction* or installation of a wood burning appliance is not *permitted* without a *building permit* from the *Municipality* and must comply with the manufacturer's installation instructions.

(h) Boathouses

Where a *boathouse* is a *permitted use*, it is *permitted* only on a *standard waterfront lot* or *through waterfront lot*, and despite any setback provision of this By-law, it is *permitted* in a *minimum setback area* abutting a *front lot line* or *high water mark*, subject to the following requirements.

- (i) A *boathouse* shall be located entirely above the *high water mark*.
- (ii) A *boathouse* shall be located no closer than 7.5 metres to a *side lot line* that is not a *shoreline*.
- (iii) The dimension of a *boathouse* most nearly parallel to the *front lot line* shall not exceed 6 metres, measured between the outside surfaces of the exterior walls.
- (iv) The *structure height* of a *boathouse* shall not exceed 4.5 metres.
- (v) Any rooftop *deck* shall not be *enclosed*.
- (vi) The roof pitch of a *boathouse* shall not exceed 33 1/3 % (4/12).

(i) Open Storage

Where *open storage* is a *permitted use*, it is *permitted* subject to the following requirements. These requirements do not apply to *open storage* in the MX or MD Zones, or *open storage accessory* to a *marina*, a *vehicle agency*, a retail lumber and *building* supply establishment, or a garden centre.

- (i) *Open storage* shall be *accessory* to the *main building* on the *lot*, or where a business owns two or more adjoining *lots*, *open storage* may be *accessory* to the *main building* of that business on an adjoining *lot*. (By-law 2009-31)
- (ii) *Open storage* is not *permitted* in a *minimum setback area*, except in a *Commercial Zone* where it is *permitted* in a *minimum setback area* abutting a *rear lot line* that does not abut an *improved street*.
- (iii) *Open storage* shall be located in a *rear yard* of a *lot* or, where this is not possible, shall comply with the provisions of the Municipality's

Property Standards By-law, By-law 2001-51 as amended from time to time. (By-law 2009-31)

- (iv) The policies of the Official Plan of the *Municipality* pertaining to *open storage* as it may affect groundwater shall be complied with.

(j) Rafts (By-law 2020-65)

Where a raft is a permitted use in a LR Zone, despite any setback provision of this By-law it is also permitted in a minimum setback, and it is permitted subject to the following requirements.

- (i) One (1) raft is permitted per lot.
- (ii) A *raft* must be at least 2 metres from the *high water mark*, and cannot be *attached* to or within 2 metres of any *structure*.
- (iii) Despite any setback provision of this By-law, a *raft* shall be located no closer to a *side lot line* that is not a *shoreline*, or to a line projected into the water from the intersection of the *side lot line* and the *front lot line*, which projected line is perpendicular to a line tangent to the *front lot line* at that intersection than:
 - In the case of a *lot* having a *lot frontage* of 33.5 metres or less, the minimum setback is 4.5 metres;
 - In the case of a lot having a lot frontage greater than 33.5 metres, the minimum setback is 7.5 metres; and
 - If the raft serves two abutting *lots*, it may straddle or abut the lot line between the two lots.
- (iv) A *raft* shall not exceed 10 square metres in floor area.
- (v) A raft shall not restrict the navigation of the waterway or access to other properties.

(See Illustration 5 at end of Section 2.)

(k) Backyard Hens (By-law 2020-65)

Where backyard hens are a permitted use, it is permitted subject to the following requirements.

- (i) A maximum of four (4) *hens* shall be *permitted*.
- (ii) *Hens* must be kept in the *hen coop* from 9 p.m. to 6 a.m., and at no time shall they be *permitted* to be running at large outside of the *hen coop* or *hen run*.

- (iii) Home slaughter of *hens* is prohibited and any deceased *hens* shall be disposed of at a livestock disposal facility or through the services of a veterinarian.
- (iv) The sale of eggs and other products associated with the keeping of *hens* is prohibited.
- (v) *Hen coops* and *hen runs* must meet the setback requirements of the *Zoning By-law* for *main buildings*.
- (vi) *Hen coops* and *hen runs* are only *permitted* in the *rear yard* of a lot and shall not be located in a *yard* that abuts a *street*.
- (vii) *Hen coops* and *hen runs* shall not exceed a total combined ground floor area of 10 square metres.
- (viii) *Hen coops* shall provide a minimum area of 0.37 square metres per *hen*.
- (ix) *Hen runs* shall provide a minimum area of 0.92 square metres per *hen*.
- (x) *Hen coops* and *hen runs* shall be maintained in a clean condition and the coop shall be kept free of obnoxious odours, substances and vermin.

(I) Urban Agriculture (By-law 2020-65)

Where *urban agriculture* is a *permitted use*, it is *permitted* subject to the following requirements.

- (i) Development shall not generate pedestrian or *vehicular* traffic, or parking, in excess of that which is characteristic of the *zone* in which it is located.
- (ii) *Accessory* activities may include storage, composting, on-site sales, and *structures* related to operations and the extension of the growing season.
- (iii) The *urban agriculture* development shall not generate noise, odour, waste, or visual impact, in excess of that which is characteristic of the *zone* in which it is located.
- (iv) Storage sheds, cisterns, tool sheds, compost bins, or similar *structures* shall be located in a *rear yard* or a *side yard*, of a *lot* and shall not be located in a *yard* that abuts a *street*. Where this is not possible, shall be concealed from view as much as possible.
- (v) There shall be no outdoor storage of materials or equipment associated with the use.

- (vi) A compost bin/pile must be located at least three (3) metres away from any property line.
- (vii) A compost bin/pile shall have a solid barrier to screen from view, and shall have a lid.
- (viii) Compost may only consist of plant or plant based material, and shall not utilize any mechanized processes.

3.2 ACCESS TO STREETS

No *person* shall *construct* in the *zoned area* any *structure* on a *lot* that does not abut an *improved street*, unless the *lot*:

- (a) *existed* on July 11, 1977; or
- (b) abuts a registered private right-of-way or original township road allowance which has direct access to an *improved street* by way of that right-of-way or road allowance; or
- (c) has *water access* but does not abut a registered private right-of-way or original township road allowance which has direct access to an *improved street* by way of that right-of-way or road allowance.

3.3 CONSTRUCTION STANDARDS

Except in the WR3L, WR4L, WR5L, WR6L, or RU1L *Zones*, no new *dwelling* with a *gross floor area* of 100 square metres or more may be *constructed* to the lesser requirements for cottages (seasonal recreational *buildings*) in the *Ontario Building Code*.

3.4 CONSTRUCTION USES

Despite any other provision of this By-law, the following *uses* are *permitted* on a *lot* where *construction* in accordance with a *building permit* is taking place, only for so long as the *use* is necessary for the work, and until the applicable time limit is reached or the *building permit* is revoked, whichever is sooner:

- (a) a tool shed, *construction trailer*, or other *structure* incidental to *construction*, for not more than 12 months after the *building permit* is issued;
- (b) where a new *dwelling* is being *constructed*, a *trailer*, which may be occupied by the owner of the *lot* and/or their *family* for not more than 12 months after the *building permit* is issued.

3.5 CONTAINED OUTDOOR STORAGE (By-law 2009-31)

Storage of goods, merchandise, or materials in containers is not *permitted* in the *zoned area*, except in an Industrial *Zone* where it is *permitted* subject to the following requirements:

- (a) Only freight containers and transport truck trailers shall be *used* as containers for contained outdoor storage.
- (b) Not more than three containers may be *used* for storage on any *lot* at any one time.

- (c) Contained outdoor storage shall be *accessory* to the *main building* on a *lot*, or, where a business owns two or more adjoining *lots*, contained outdoor storage may be *accessory* to the *main building* of that business on an adjoining *lot*.
- (d) Contained outdoor storage is not *permitted* in a *minimum setback area*.
- (e) Contained outdoor storage shall be located in a *rear yard* or a *side yard* of a *lot* or, where this is not possible, shall be concealed from view, as much as possible.
- (f) For the purpose of this section, "concealed from view as much as possible" shall mean concealed by a *fence*, or a wall or similar structure, or by a *planting strip*, or by painting the container a compatible colour. In the event of a dispute, the principles of the *Municipality's* Property Standards By-law as amended from time to time, shall apply.
- (g) Contained outdoor storage does not mean storage of goods, merchandise, or materials in an *accessory building*, legally *constructed* in compliance with the applicable *zone provisions*.

3.6 DWELLING UNITS

An entire *dwelling unit* may be located in a *basement*, provided that the top of the floor is not below the level of any *sanitary sewer system* or *storm sewer system* serving the *building*, and that the top of the floor is not more than 0.75 metre below *average finished grade*.

3.7 ENCROACHMENTS INTO SETBACKS

Despite any setback provision of this By-law, the following encroachments are *permitted* into *minimum setback areas*:

- (a) *Decks* and *patios* that are *attached* to a *main building* may extend not more than 3 metres into a *minimum setback area*, unless the *minimum setback area* abuts an *interior side lot line*;
- (b) fire escapes and stairways that are *attached* to a *structure* and are not *enclosed* may extend into a *minimum setback area*, but not more than 1 metre if the *minimum setback area* abuts an *interior side lot line* or unless the *building* is less than 10 metres from a *high water mark*;
- (c) sills, chimneys, cornices, eaves, gutters, parapets, pilasters, or other ornamental *structures* may extend not more than 0.75 metre into a *minimum setback area*.

3.8 FORESTRY USES

Despite any other provision of this By-law, all forestry *uses* shall comply with any tree conservation by-law passed by the *County* in accordance with the *Forestry Act*.

3.9 HEIGHT EXCEPTIONS

The *structure height* provisions of this By-law do not apply to the following *uses*:

- a barn;
- a belfry;
- a chimney;
- a church spire;
- a clock tower;
- a corn crib;
- a drying elevator;
- a *farm* implement shed;
- a feed or bedding storage *use*;
- a flagpole;
- a roof *structure* necessary for the functioning of heating, ventilating, air-conditioning, or elevator equipment;
- a silo;
- a solar panel;
- a street light on a *street*;
- a telecommunications antenna or tower;
- a utility pole;
- a water tank or tower;
- a *wind turbine*.

3.10 HOME BUSINESSES AND BED AND BREAKFAST ESTABLISHMENTS (2011-83)

Where a *home business* or a *bed and breakfast establishment* is a *permitted use*, it is *permitted* subject to the following requirements.

- (a) A *home business* or *bed and breakfast establishment* shall be conducted entirely within a *dwelling unit*.
- (b) No goods or merchandise shall be offered or kept for sale or rent, except for arts and crafts produced on the premises by a *home business*.
- (c) A *home business* or *bed and breakfast establishment* shall not have more than one employee who is not a resident of the *dwelling unit*.
- (d) A *home business* shall not occupy more than 25% of the *dwelling unit area*.
- (e) Despite Section 3.28 of this By-law, all signs shall comply with the relevant *sign* by-law of the *Municipality*.
- (f) The *home business* or *bed and breakfast establishment* shall not change the primarily residential character of the *dwelling* or the *lot*.

3.11 HOME INDUSTRIES (2011-83)

Where a *home industry* is a *permitted use*, it is *permitted* subject to the following requirements.

- (a) A *home industry* shall be conducted entirely within one or more *accessory buildings*.
- (b) A *home industry* shall not have more than 3 employees who are not residents of the *dwelling unit* on the *lot*.
- (c) The total *gross floor area* used by the *home industry* shall not exceed 100 square metres.
- (d) There shall be no *open storage accessory* to the *home industry*.
- (e) Despite Section 3.28 of this By-law, all *signs* shall comply with the relevant *sign* by-law of the *Municipality*.
- (f) Despite Section 3.22(b)(ii) of this By-law, *vehicles* and *motor vehicles* that are associated with the *home industry* shall only be parked or stored to the rear of the *front yard*. A maximum of three (3) *vehicles* and/or *motor vehicles* that are associated with the *home industry* shall be parked or stored on the *lot*.
- (g) The *home industry* shall not change the primarily residential character of the *lot*.

3.12 LIGHTING

Despite any *structure height* provision of this By-law, no light standard shall be *constructed* on any *lot* with a *structure height* of more than 9 metres, and no exterior light shall be affixed to any *structure* at a height of more than 9 metres above *average finished grade*. All exterior lighting fixtures shall direct light downwards and not towards abutting *lots*, *streets*, or *water bodies*. These requirements do not apply to traffic signals and light standards serving *streets*.

3.13 LIVESTOCK FACILITIES

Despite any other provision of this By-law, all *structures* that are livestock facilities or that are near livestock facilities shall be located so as to comply with Minimum Distance Separation I or Minimum Distance Separation II, as applicable, as prescribed by the Ministry of Agriculture and Food.

3.14 LOADING

- (a) The owner or occupant of any *structure*, or a part of a *structure*, used for any purpose that requires the receiving, shipping, loading, or unloading of merchandise, goods, or materials, shall provide *loading spaces* in accordance with Table 1.

Table 1 - Loading Space Requirements	
Gross Floor Area of Structure or Part of Structure	Minimum Number of Loading Spaces
280 square metres or less	1
281 to 2,300 square metres	2
2,301 to 7,500 square metres	3
7,501 square metres or more	2, plus 1 for each 7,500 square metres or part thereof of <i>gross floor area</i> .

- (b) Each *loading space* shall be at least 12 metres long and 4 metres wide, and have a vertical clearance of at least 4.5 metres.
- (c) Access to *loading spaces* shall be by means of a driveway at least 3.5 metres wide entirely contained within the *lot* and leading to the *improved street*.
- (d) The driveways and *loading spaces* shall be *constructed* and maintained with a stable surface, treated to prevent the raising of dust or loose particles, and shall provide for stormwater drainage.
- (e) If an *existing structure* had on July 11, 1977 fewer *loading spaces* than would have been required by Table 1, the *gross floor area* of that *structure* may only be increased if additional *loading spaces* are provided such that the number of *loading spaces* by which the *structure* is deficient does not increase.

3.15 LOT BOUNDARIES

Despite any other provision of this By-law, any boundary of a *lot* that is located below the *high water mark* shall be deemed not to be a *lot line*, and the *high water mark* shall be deemed to be the *lot line* in its place.

3.16 LOTS DIVIDED BY IMPROVED STREETS

Where a *standard waterfront lot* or *through waterfront lot* that is within a registered plan of subdivision has been severed into two or more *lots* by an *improved street*, the original *lot* shall be deemed to continue to be one *lot* as if it had not been severed, for the purposes of determining the *permitted uses* and *zone provisions* applicable to the severed *lots*. However, Section 3.30 of this By-law shall continue to apply with respect to the *improved street* severing the original *lot*.

3.17 LOTS DIVIDED INTO MORE THAN ONE ZONE (By-law 2007-34)

When a *lot* is divided into more than one *zone*, the part in each *zone* shall be *used* in accordance with the provisions of this By-law for the applicable *zone*. *Lot area* and *lot coverage* shall be calculated as if the part of the *lot* in each *zone* were a separate *lot*. Provisions limiting the numbers of *structures* per *lot* shall continue to apply to the entire *lot*. If there is any conflict between the provisions applicable to such a *lot*, the more specific or more restrictive provision shall apply.

Despite the provisions of this Section, where a *lot* is partially zoned Environmental Protection (EP), the portion of the *lot* that is zoned EP and located above the *high water mark* may be included in the calculation of *lot area* and *zone provisions*. Land zoned EP and located below the *high water mark* is excluded from the calculation of *lot area* and *zone provisions*.

3.18 MINIMUM OPENING ELEVATION

Despite any other provision of this By-law, no *person* shall *construct* any *structure* in Area 1 shown on Schedule "B" unless the *structure* has a *minimum opening elevation* of at least 320.2 metres CGVD28.

3.19 NON-COMPLYING STRUCTURES AND LOTS

(a) Alterations to Legal Non-Complying Structures and on Legal Non-Complying Lots

Nothing in this By-law shall prevent the enlargement, relocation, replacement, *reconstruction*, or repair of a *legal non-complying structure*, or the enlargement, relocation, replacement, *reconstruction*, or repair of an *existing structure* on a *legal non-complying lot*, provided that the following requirements are met.

- (i) No *lot coverage*, *shoreland lot coverage*, *structure height*, *gross floor area*, or *dwelling unit area* as a percentage of *lot area* shall be increased to more than that *permitted*.
- (ii) No *building separation*, *dwelling unit area*, or *naturalized open space* as a percentage of *lot area* shall be reduced to less than that *permitted*.
- (iii) The least distance between a *structure* encroaching within a *minimum setback area* and the *lot line* shall not be further reduced.
- (iv) On a *standard waterfront lot* or *through waterfront lot*, no area of encroachment by a *main building* within a *minimum setback area* abutting a *shoreline* or *high water mark* shall be increased, unless the *main building* dimension most nearly parallel to that *shoreline* or *high water mark* will not exceed 50% of the *lot frontage* or 18.5 metres, whichever is less.
- (v) On a *standard waterfront lot* or *through waterfront lot*, no area of encroachment or *structure height* of a *main building* within a *minimum setback area* including any *deck* and *patio attached* to a *main building* shall be increased within 10 metres of the *high water mark*.

- (vi) No area of encroachment by an accessory structure within a minimum setback area shall be increased.
- (vii) Despite Section 3.19(a)(i) of this By-law, no gross floor area or structure height of any accessory structure shall be increased.
- (viii) No location or area of any planting strip required by this By-law shall be altered.
- (ix) The *structure* is not a *dwelling* where more than one *dwelling* is already located on the *lot*; an *accessory dwelling unit* where the number of *accessory dwelling units* already located on the *lot* exceeds one or the number *permitted*, whichever is greater; or a *private cabin* where more than one *private cabin* is already located on the *lot*.
- (x) Where there are two *dwelling*s on a *lot* and only one *dwelling* is *permitted*, no *gross floor area* or *structure height* of either *dwelling* shall be increased. (2011-83)

(b) Use of Undersized Vacant Lots

Nothing in this By-law shall prevent the *use* of a vacant *lot* which has less than the minimum *permitted lot area* or *lot frontage*, provided that:

- (i) the *lot* is an *existing lot*, or is in a registered plan of subdivision and is not subject to Section 3.16 of this By-law, or was created on or after July 11, 1977 by a conveyance to enable a *public use* or *street*; or
- (ii) the *lot area* or *lot frontage* of the *lot* became less than the minimum *permitted* due to more precise delineation of *lot lines* by a plan of survey registered on or after July 11, 1977 without any conveyance of land; and
- (iii) the *use* is a *permitted use*; and the *use* complies with all other *zone provisions*.

(c) Additions to Legal Non-Complying Lots

Where land is added to a *legal non-complying lot*, and no land is removed from the *lot*, the *lot* is deemed to continue to be *legal non-complying*.

(d) Additions to Lots Causing Lots to be Non-Complying:

Where the *lot frontage* of a *lot* would become *non-complying* solely as a result of the addition of an original shoreline road allowance to the *lot*, the *lot* is deemed to continue to comply with all *lot frontage* provisions.

(e) Alterations to Lots Causing Structures to be Non-Complying

No *structure* shall become *non-complying* solely as a result of a change in a *lot line*, provided that the *lot line* change is due to:

- (i) merging of title of *lots* to create a lesser number of *lots*;
- (ii) addition of an original township road allowance or original shoreline road allowance to a *lot*;

- (iii) a conveyance to enable a *public use* or *street*.

(f) Alterations to Lots with Legal Non-Complying Structures

- (i) Where a *legal non-complying structure* is located on a *lot* any of whose *lot lines* change, the *structure* is deemed to continue to be *legal non-complying*, provided that there is no increase in the extent of *non-compliance* with any *zone provision*.
- (ii) Where land is added to or removed from a *lot* due to the granting of a *lot addition consent* that does not create a new *lot*, any *legal non-complying structure* on that *lot* is deemed to continue to be *legal non-complying*, provided that there is no increase in the extent of *non-compliance* with *minimum lot line setbacks* or *minimum water setbacks*.

3.20 NON-CONFORMING STRUCTURES

- (a) In all *zones* except the *EP Zone*, nothing in this By-law shall prevent the *reconstruction* or repair of a *legal non-conforming structure* that is damaged or destroyed on or after July 11, 1977 by causes beyond the control of the owner, provided that the *structure* remains within its original location and dimensions, that it does not exceed its original *gross floor area*, and that no new *uses* are established.
- (b) Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of a *legal non-conforming structure*, provided that the *structure* remains within its original location and dimensions and that no new *uses* are established inside the *structure*.

3.21 NOXIOUS USES

No *person* shall, within the *zoned area*, *use* any land or *construct* or *use* any *structure* for any *noxious use*.

3.22 PARKING

(a) Parking Space Requirements

The owner or occupant of any *structure* shall provide *parking spaces* in accordance with Table 2, for *use* solely by themselves and their *family* as well as any employees and customers of and visitors to the *use*. When a *structure* accommodates more than one *use*, its total *parking space* requirement will be the sum total of the *parking space* requirements calculated separately for each *use*. If the calculation for any *use* results in a number of *parking spaces* that is not a whole number, the *parking spaces* required for that *use* shall be the next higher whole number.

Table 2 - Parking Space Requirements	
<i>Permitted Use</i>	<i>Minimum Number of Parking Spaces</i>
Assembly or Social Hall, <i>Auditorium</i> , <i>Place of Worship</i> , or similar place of assembly not otherwise specified in this By-law	1 for each 4 persons that may be legally accommodated at any one time.
Bank, Business Office, <i>Home Business</i> , <i>Home Industry</i> , <i>Neighbourhood Store</i> , Professional Office, <i>Retail Store</i> , <i>Merchandise Service Shop</i> , or <i>Personal Service Shop</i>	1 for each 20 square metres of <i>gross floor area</i> .
<i>Bed and Breakfast Establishment</i> , <i>Tourist Establishment</i> , or <i>Tourist Camp</i>	1 for each <i>guest room</i> , <i>guest unit</i> , and <i>camp lot</i> , plus 1 for each 4 persons that may be legally accommodated at any one time.
Bowling Alley	3 for each bowling lane.
Car Wash	Automatic – Queuing space for 8 <i>vehicles</i> for ingress and space for 2 <i>vehicles</i> for egress. Self-Serve – 2 for each wash stall.
<i>Clinic</i> or <i>Veterinary Clinic</i>	5 for each health practitioner, plus 1 for each examination room exceeding 5 such rooms.
Curling Rink	4 for each curling sheet, plus 1 for each 4 persons that may be legally accommodated at any one time.
<i>Dry Cleaning or Laundry Outlet</i> , <i>Laundromat</i>	4, or 1 for each 9 square metres of <i>gross floor area</i> , whichever is greater.

Table 2 - Parking Space Requirements	
<i>Permitted Use</i>	<i>Minimum Number of Parking Spaces</i>
Funeral Home	10, or 1 for each 5 chapel seats, whichever is greater.
<i>Golf Course</i>	24 for each 9 golf holes.
<i>Health Care Centre</i>	1 for each 4 beds.
<i>Liquor Licensed Premises</i>	1 for each 4 persons that may be legally accommodated at any one time.
Manufacturing Plant, Processing Plant, or Warehouse	1 for each 37 square metres of <i>gross floor area</i> .
<i>Marina</i>	3 for each 2 boat berths, plus 1 for each 8 square metres of <i>gross floor area</i> occupied by commercial use, exclusive of storage area.
Museum, Public Library or similar institution not specified in this By-law	1 for each 35 square metres of <i>gross floor area</i> .
<i>Residential Uses on lots accessible by water only</i>	None, provided that the policies of the Official Plan of the <i>Municipality</i> pertaining to access to such <i>lots</i> are complied with.
<i>Other Residential Uses</i>	2 for each <i>dwelling unit</i> , plus 1 for each <i>additional dwelling unit</i>
<i>Restaurant, Take-Out Restaurant or Drive-Through Restaurant.</i> (By-law 2007-34)	1 for each 9 square metres of <i>gross floor area</i> , or 1 for each 4 <i>persons</i> that may be legally accommodated at any one time, whichever is greater and if a <i>drive-through restaurant</i> , queuing space for 6 <i>vehicles</i> for ingress approaching a drive-through window and space for 2 <i>vehicles</i> for egress.
Elementary <i>School</i>	3 for each 2 classrooms, or 1 for each 9 square metres of gymnasium <i>gross floor area</i> , or 1 for each 9 square metres of <i>auditorium gross floor area</i> , whichever is greatest.

Table 2 - Parking Space Requirements	
<i>Permitted Use</i>	<i>Minimum Number of Parking Spaces</i>
<i>Secondary School</i>	4 for each classroom, or 1 for each 9 square metres of <i>auditorium gross floor area</i> , whichever is greater.
<i>Self-Service Storage Building</i>	3, or 1 for each 20 individual spaces or lockers, whichever is greater.
<i>Permitted uses not listed above</i>	1 for each 35 square metres of <i>gross floor area</i> .

(b) Parking Area Location on Lot

- (i) *Parking spaces* required by Table 2 shall be provided on the same *lot* as the *use* they are provided for.
- (ii) Despite any setback provision of this By-law, uncovered surface *parking areas* are *permitted* in *minimum setback areas*.
- (iii) Despite Section 3.22(b)(i) of this By-law, *parking spaces* required by Table 2 for a *non-residential use* that is not a *home business, home industry, or bed and breakfast establishment* may be provided on another *lot*, provided the *parking spaces* are not more than 150 metres from the main entrance to the *structure*.

(c) Access

- (i) *Motor vehicle* access to *parking areas* shall be by means of driveways at least 3 metres but not more than 9 metres wide.
- (ii) Any driveway that provides a combined entrance from and exit to a *street* shall not be more than 9 metres wide where it crosses the *street line*, measured along the *street line*.

(d) Design Requirements

All *parking areas* and *parking spaces* required by Table 2, except for those for *single-family dwellings* or *seasonal dwellings*, shall be *constructed* in accordance with the following requirements.

- (i) Each *parking space* shall be at least 3 metres wide and 6 metres long.
- (ii) In a *parking area* with aisles, if the smaller angle of the *parking space* to the aisle is less than 50 degrees, the aisle shall be at least 4 metres wide.
- (iii) In a *parking area* with aisles, if the smaller angle of the *parking space* to the aisle is 50 degrees or more but less than 70 degrees, the aisle shall be at least 5.5 metres wide.
- (iv) In a *parking area* with aisles, if the smaller angle of the *parking space*

to the aisle is 70 degrees or more, the aisle shall be at least 7 metres wide.

- (v) In a *parking area* with aisles, if the smaller angle of the *parking space* to the aisle is less than 30 degrees, the *parking space* shall be at least 7 metres long.

(e) Surface Requirements

Parking spaces, parking areas, and driveways shall be *constructed* and maintained with a stable surface, treated to prevent the raising of dust or loose particles, and shall provide for stormwater drainage.

(f) Parking Space Deficiencies

If an *existing structure* had on July 11, 1977 fewer *parking spaces* than would have been required to comply with Table 2, the *gross floor area* of that *structure* may only be increased, or a new *use* established inside that *structure*, if additional *parking spaces* are provided such that the number of *parking spaces* by which the *structure* is deficient does not increase.

(g) Designated Accessible Parking (2011-83)

- (i) Each designated accessible *parking space* shall be at least 6 metres in length.
- (ii) Each designated accessible *parking space* shall be at least 4.5 metres wide, which will include a 1.5 metre wide aisle for passenger access.
- (iii) Two designated accessible *parking spaces* may share a single 1.5 metre wide aisle for passenger access.
- (iv) The surface of all designated *parking spaces* shall have a firm, level surface, with a maximum slope of 2% grade.
- (v) The minimum designated *parking space* requirement for new development shall be as follows:

Total Parking Spaces Required	Minimum Designated Accessible <i>Parking Spaces</i>
1-10	1
11-20	2
21-50	3
51-75	4
76-100	5
100-200	6
Over 200	1 additional space for each additional 100 spaces or part thereof

(h) Restrictions in Residential Zones (2011-83)

Parking spaces in Residential Zones shall comply with the following restrictions:

- (i) Not more than one automobile or truck shall be parked on a *lot* outside a *private garage* unless it has a valid *vehicle permit*.
- (ii) The total number of commercial *motor vehicles* as defined in the *Highway Traffic Act* parked on a *lot* shall not exceed one per *dwelling*.

(i) Boat Parking

- (i) Up to one-third of the *parking spaces* required by Table 2 for *non-residential uses* on a *waterfront lot* or *through waterfront lot* in a Commercial Zone may be provided in the form of *boat parking spaces* in the LR Zone abutting the *lot*, for use solely by customers of and visitors to the *uses*. Sections 3.22(b), 3.22(c), 3.22(d), and 3.22(e) of this By-law do not apply to these *boat parking spaces*.
- (ii) A *boat parking space* provided to meet the requirements of Table 2 shall be at least 6 metres long and 3 metres wide, with a dock forming at least one side.

3.23 PLANTING STRIPS (2011-83)

- (a) Except as otherwise approved in a site plan agreement, where a *planting strip*, is required by this By-law, it will consist of a continuous, uninterrupted row of coniferous trees or shrubs, not less than 1.5 metres high at planting, abutting a *lot line* along which the *planting strip* is required by any *zone provision*. The remainder of the *planting strip* shall be *used* for no purpose other than planting shrubs, flowers, grass, or similar vegetation.
- (b) Where approved by a site plan agreement, the composition of a *planting strip* may be varied from Section 3.23(a) above, or may be a *fence*, a berm or other similar screening barrier.
- (c) A *planting strip*, required by this By-law, may be interrupted by a driveway or walkway, and this interruption may extend up to 3 metres beyond the edge of the driveway or 1.5 metres beyond the edge of the walkway.
- (d) A *planting strip* required by this By-law may form part of any *naturalized open space* required by this By-law.
- (e) The owner of a *planting strip* shall maintain it in a healthy condition for as long as the *planting strip* is required by this By-law, and shall continue to plant it as necessary to ensure conformity with the definition of a *planting strip*.

3.24 PUBLIC USES

- (a) Nothing in this By-law shall prevent the use of land for a *street*, or prevent the installation of a water main, sewer main, gas main, pipeline, lighting

fixture, or overhead or underground electrical or telecommunications line, provided that the installation and its location have been approved by the *Municipality*.

- (b) Except as provided in Section 3.24(a) of this By-law, *public uses* are *permitted* in the *zoned area* only where they are *permitted uses*.
- (c) Any above-ground non-recreational *public use* located in a Residential *Zone* shall be *enclosed* in a *building* designed, located, and maintained in general harmony with the *dwellings* in that *zone*.

3.25 QUONSET HUT (2015-20)

A *quonset hut* or other corrugated steel *structure*, which is greater than 10 sq. metres in area, is not a *permitted structure* except in the M, MX, MD, RU1, RU1L and RU3, *zones*. A *quonset hut* is not a *dwelling*.

3.26 SHORELINE VEGETATION BUFFER (2011-83)

A *shoreline vegetation buffer* will apply to the *water setback* of a *lot*. A *shoreline vegetation buffer* will be maintained in a healthy condition and in compliance with the provisions outlined in a tree cutting or tree preservation By-law, passed by the County of Haliburton and/or any development agreement registered on title to the *lot*.

3.27 SIGHT TRIANGLES

- (a) Except in a Commercial *Zone*, the following *uses* are prohibited within a *sight triangle*:
 - (i) a *structure* or *use* which would obstruct the vision of drivers of *motor vehicles*;
 - (ii) a *fence*, tree, hedge, bush or other vegetation, the top of which is more than 1 metre above ground level at the *street line*;
 - (iii) a berm or other ground surface which is more than 0.5 metre above ground level at the *street line*.
- (b) Vegetation within a *sight triangle* shall be maintained at a height of not more than 1.25 metres above the ground.

3.28 SIGNS

Nothing in this By-law shall prevent the *construction, alteration, or use* of any *sign*, provided the *sign* complies with Sections 3.10, 3.11, and 3.27 of this By-law and with the other by-laws of the *Municipality*.

3.29 STREETS

Despite any other provision of this By-law, a *street* is *permitted* anywhere in the *zoned area*.

3.30 STREET SETBACKS

- (a) Despite any other provision of this By-law, no *person* shall *construct* any *enclosed building* in the *zoned area* unless the *street setback* is at least the distance shown in Table 3.

Table 3 - Street Setback Requirements	
<i>Improved Street Jurisdiction</i>	<i>Minimum Street Setback</i>
Province of Ontario	18 metres, plus the <i>minimum lot line setback</i> from the <i>street line</i>
<i>County</i>	15 metres, plus the <i>minimum lot line setback</i> from the <i>street line</i>
<i>Municipality</i>	10 metres, plus the <i>minimum lot line setback</i> from the <i>street line</i>

- (b) Despite Section 3.30(a) of this By-law, if a *lot* abuts an *improved street* under the jurisdiction of the *Municipality* that is outside a road allowance, no *person* shall *construct* an *enclosed building* on that *lot* unless the least distance from the *building* to the edge of the travelled portion of the *street* equals or exceeds the *exterior side minimum lot line setback*.
- (c) Despite any other provision of this By-law, where a road is not a *street*, but is a right of way for the benefit of other properties, or is subject to a prescriptive right for the benefit of other properties, or is owned by a condominium corporation, no *person* shall *construct* a *building* or *structure* on any *lot* abutting the said road unless the least horizontal distance from the *building* or *structure* to the edge of the travelled portion of the said road equals or exceeds the *minimum lot line setback, exterior side*. (2011-83)

3.31 THROUGH LOTS

On a *through lot*, the *front minimum lot line setback* shall apply to each other *street line* as if it were a *front lot line*.

3.32 TRAILS

Despite any other provision of this By-law, a snowmobile, cross-country ski, or snowshoe trail is *permitted* anywhere in the *zoned area*.

3.33 WIND TURBINES (By-law 2007-53)

- (a) A *wind turbine* is *permitted* anywhere in the *zoned area* subject to the following provisions:
- (i) *minimum water setback:* 300 metres
 - (ii) *minimum lot line setback, front:* 2 times the *wind turbine height*.
 - (iii) *minimum lot line setback, exterior side:* 2 times the *wind turbine height*.
 - (iv) *minimum lot line setback, interior side:* 2 times the *wind turbine height*.
 - (v) *minimum lot line setback, rear:* 2 times the *wind turbine height*.
 - (vi) maximum wind turbines per lot: 1
 - (vii) maximum *wind turbine height:* 38.0 metres
 - (viii) the *wind turbine* is to be setback 10 metres from any above ground utility line except a utility line used to connect the subject property to the local utility.
 - (ix) Any *wind turbine* that has approval pursuant to the provisions of the Environmental Assessment Act is exempt from the provisions of Section 3.33 (vi), (vii) and (viii), of this By-law and the provisions imposed pursuant to the approvals granted under the Environmental Assessment Act will apply.

Section 4 ZONES

4.1 ZONE CLASSIFICATION

All lands within the *zoned area* are divided into the following *zones*, classified as Residential, Institutional, Commercial, Industrial, Rural, or Environmental *zones*. Following each *zone* name is the corresponding *zone symbol*.

(a) Residential Zones

Waterfront Residential Type 1 *Zone* (WR1)
Waterfront Residential Type 2 *Zone* (WR2)
Waterfront Residential Type 3 *Zone* (WR3)
Waterfront Residential Type 3L *Zone* (WR3L)
Waterfront Residential Type 4 *Zone* (WR4)
Waterfront Residential Type 4L *Zone* (WR4L)
Waterfront Residential Type 5 *Zone* (WR5)
Waterfront Residential Type 5L *Zone* (WR5L)
Waterfront Residential Type 6 *Zone* (WR6)
Waterfront Residential Type 6L *Zone* (WR6L)
Rural Residential *Zone* (RR)
Suburban Residential *Zone* (RS)
Urban Residential Type 1 *Zone* (R1)
Urban Residential Type 2 *Zone* (R2)
Urban Residential Type 3 *Zone* (R3)

(b) Institutional Zones

Urban Institutional *Zone* (IU)
Rural Institutional *Zone* (IR)

(c) Commercial Zones

General Commercial *Zone* (C)
Highway Commercial *Zone* (CH)
Tourist Commercial *Zone* (CT)

(d) Industrial Zones

General Industrial *Zone* (M)
Extractive Industrial *Zone* (MX)
Disposal Industrial *Zone* (MD)

(e) Rural Zones

Rural Type 1 *Zone* (RU1)
Rural Type 1L *Zone* (RU1L)
Rural Type 2 *Zone* (RU2)
Rural Type 3 *Zone* (RU3)

(f) Environmental Zones

Open Space *Zone* (OS)
Lake or River *Zone* (LR)
Environmental Protection *Zone* (EP)

4.2 ZONE SYMBOLS

Wherever in this By-law a *zone symbol* is used by itself or followed by the words "zone" or "exception zone", it shall have the same meaning as the full name of the *zone*.

4.3 ZONE BOUNDARIES

When determining the location of a *zone* boundary on Schedule "A" or on any schedule which amends Schedule "A", the following provisions shall apply.

(a) Municipal and Park Boundaries

All boundaries of the *Municipality* outside Algonquin Provincial Park, and of Algonquin Provincial Park within the *Municipality*, shall be *zone* boundaries.

(b) Street Lines

Despite Sections 4.3(c), 4.3(f), and 4.3(g) of this By-law, a *zone* boundary shown as approximately following a *street line* shall be deemed to follow the centre line of the *street's* road allowance.

(c) Township Lot or Road Allowance Boundaries

A *zone* boundary shown as approximately following the boundary of a township lot or road allowance shown on an original township survey shall be deemed to follow that boundary.

(d) Rights-of-Way

A *zone* boundary shown as approximately following a right-of-way for a private road, pipeline, electrical line, or telecommunications line shall be deemed to follow that right-of-way.

(e) Shorelines

A *zone* boundary shown as approximately following a shoreline of a *water body* shall be deemed to follow the *high water mark* of that *water body*.

(f) Subdivision Lot Lines

A *zone* boundary shown as approximately following a lot or block line on a registered plan of subdivision shall be deemed to follow that lot line.

(g) Other Lot Lines

A *zone* boundary shown as approximately following any *lot line* shall be deemed to follow that *lot line*.

(h) Environmental Protection Zone Boundaries

Where any uncertainty exists, the exact boundaries of an EP *Zone* may be determined through an on-site review by the *Municipality*.

Where an on-site review confirms that any lands should no longer be included within the EP *Zone*, and the policies of the Official Plan of the *Municipality* pertaining to the removal of lands from the Environmental Protection Areas designation have been complied with, the lands shall be deemed to be in the same *zone* as the majority of the remainder of the *lot*. Where the *lot* is entirely in the EP *Zone*, it shall be deemed to be in the RU1 *Zone* if it abuts an *improved street*, or in the RU1L *Zone* otherwise. (2011-83)

(i) No Other Option

If a *zone* boundary cannot be located using any of the preceding methods, it shall be located according to Schedule "A", adjusted to scale.

4.4 DEEMED ZONES

- (a) Any island that is not clearly assigned to a *zone* on Schedule "A" or on a schedule to a by-law that amends this By-law is deemed to be in the OS *Zone*.
- (b) All lands below a *high water mark* are deemed to be in the LR *Zone*, unless they are specifically assigned to the EP *Zone*.

4.5 EXCEPTION ZONES

Where a *zone symbol* on Schedule "A" includes a dash followed by a number (for example, "RR-1" or "WR1-1"), this denotes an exception *zone*, which is subject to special *permitted uses* and *zone provisions* as provided in this By-law.

Section 5 RESIDENTIAL ZONES

Residential Zones include the following:

		Explanatory note re purpose:
Waterfront Residential Type 1 Zone	WR1	60 m <i>lot frontage</i> , 30 m <i>water setback</i> , year-round occupancy
Waterfront Residential Type 2 Zone	WR2	60 m <i>lot frontage</i> , 20 m <i>water setback</i> on <i>lots</i> developed as of 2004, year-round occupancy

5.3 OTHER PROVISIONS

- (a) Despite any other provision of this By-law, a *seasonal dwelling* in the WR3, WR4, WR5, or WR6 Zones may be occupied as a principal residence, where on or after July 11, 1977 *Council* has issued a Certificate of Occupancy in accordance with the *Planning Act*, provided the *dwelling* conforms with the definition of a *single-family dwelling*.
- (b) Despite any other provision of this By-law, if a *lot* in the WR3L, WR4L, WR5L, or WR6L Zones gains direct access to a *fully maintained street* as a result of a by-law of the *Municipality* assuming that *street*, all *permitted uses* in the WR3, WR4, WR5, and WR6 Zones are *permitted* on that *lot*.
- (c) Despite any other provision of this By-law, a *home business* is *permitted accessory* to a *seasonal dwelling* that is occupied as a principal residence in accordance with Section 5.3(a) of this By-law.
- (d) Despite any other provision of this By-law, in a Residential Zone no *recreational vehicle* shall be parked within 20 metres of the *high water mark*.

5.4 RESIDENTIAL EXCEPTION ZONES

5.4.1 WR1 Exception Zones

5.4.2 WR2 Exception Zones

5.4.2.1 WR2-1 Exception Zone (By-law 2014-21)

Despite any provision to the contrary of Section 5, or any other provision of this By-law, within the WR2-1 Exception Zone, the following provisions shall apply:

(a) *Permitted uses:*

- All uses permitted by the WR2 Zone.

(b) *Zone Provisions:*

- *Lot area*, minimum: 0.22 hectare
- *Lot frontage*, minimum: 42.6 metres
- *Minimum water setback*: 22.85 metres
- *Minimum lot line setback, front*: 3.3 metres

All zone provisions applicable to the WR2 Zone.

- (c) All other provisions of this By-law as applicable to the WR2 Zone shall apply.

5.4.2.2 WR2-2 Exception Zone (By-law 2021-64)

Despite any provision to the contrary of Section 5, or any other provision of this By-law, within the WR2-2 Exception Zone, the following provisions shall apply:

(a) *Permitted uses:*

- All uses permitted in the WR2 Zone, and the following:
- Inclined Elevator

(b) *Zone Provisions:*

- Water wetback, for an inclined elevator: Minimum of 8.0 metres from a Waterbody.
- Planting Strip width, minimum 3.0 metres.

All zone provisions applicable to the WR2 Zone.

- (c) All other provisions of this By-law as applicable to the WR2 Zone shall apply.

5.4.3 WR3 Exception Zones

5.4.3.1 WR3-1 Exception Zone (By-law 2017-93)

Despite any provision to the contrary of Section 5, or any other provision of this By-law, within the WR3-1 *Exception Zone*, the following provisions shall apply:

- (a) *Permitted uses:*
- All *permitted uses* applicable to the WR3 Zone.

- (b) Zone Provisions:

All zone provisions applicable to the WR3 zone except as follows:

- *Structure height, maximum, existing main building only* 11 metres
- *Minimum water setback, existing storage building only* 28 metres
- *Minimum lot line setback, rear, existing storage building only* 4 metres

- (c) All other provisions of this By-law as applicable to a WR3 Zone shall apply.

5.4.3.2 WR3-2 Exception Zone (By-law 2023-27)

Despite any provision to the contrary of Section 5, or any other provision of this By-law, within the WR3-2 Exception Zone, the following provisions shall apply.

- (a) *Permitted uses:*
- All uses permitted in the WR3 Zone.

- (b) Zone Provisions:

All zone provisions applicable to the WR3 Zone, except as follows:

- Lot frontage, minimum: 55.0 metres

- (c) All other provisions of this By-law as applicable to the WR3 Zone shall apply.

5.4.3.3 WR3-3 Exception Zone (Bylaw 2023-27)

Despite any provision to the contrary of Section 5, or any other provision of this By-law within the WR3-3 Exception Zone, the following provisions shall apply:

- (a) *Permitted uses:*
- All uses permitted in the WR3 Zone.

- (b) Zone Provisions:

All zone provisions applicable to the WR3 Zone, except as follows:

- Lot frontage, minimum: 40.0 metres
- Lot frontage, minimum: 55.0 metres

- (c) All other provisions of this By-law as applicable to the WR3 Zone shall apply.

5.4.3.4 WR3-4 Exception Zone (By-law 2024-109)

Despite any provision to the contrary of Section 5, or any other provision of this By-law within the WR3-4 Exception Zone, the following provisions shall apply:

(a) Permitted uses:

- All uses permitted in the WR3 Zone.

(b) Zone Provisions:

All zone provisions applicable to the WR3 Zone, except as follows:

- Minimum water setback (stream), main building: 10.0 metres
- Lot frontage, minimum (Haliburton Lake Road): 30.0 metres
- Lot area, minimum: 2,000 square metres
- Section 3.19 of this By-law shall apply for all new development

(c) All other provisions of this By-law as applicable to the WR3 Zone shall apply.

5.4.4 WR3L Exception Zones

5.4.4.1 WR3L-1 Exception Zone (By-law 01-17)

Despite any provision to the contrary of Section 5, or any other provision of this By-law, within the WR3L-1 Exception Zone the following provisions shall apply:

(a) *Permitted uses:*

All permitted uses in the WR3L Zone.

(b) *Zone provisions:*

All zone provisions applicable to the WR3L Zone, and the following:

- *Minimum opening elevation: 357.37 metres CGVD28.*
