Dear Ms McCallum:

Re: TOWNSHIP OF DYSART ET AL  
HALIBURTON SEWAGE TREATMENT PLANT EXPANSION  
DIRECT GRANT SEWAGE WORKS PROJECT NO. 3-0706

Further to our meeting of September 14, 1989 at the Pine Stone Inn and Country Club, I wish to advise you that the Ministry's Central Region has completed its review of the class environmental assessment Phases I and II report, prepared by Totten Sims Hubicki Associates Ltd., for the above-mentioned project.

The Region's review comments had been forwarded to the consulting engineer under cover of Ministry's letter dated September 15, 1989. Accordingly, the consulting engineer can proceed to complete Phase III and IV of the report.

I am sure that this information will be of interest to your Council.

Yours truly,

R.S. Dhillon, P.Eng.  
Senior Project Engineer
