Re: Municipality of Dysart et al  
Haliburton Sewage Treatment Plant Expansion  
MOE Project No. 3-0706  
TSH Project No. 52-7897

Dear Sir:

In accordance with the Class Environmental Assessment (EA) requirement regarding public notification, we are enclosing, herewith, one (1) copy of the Phase 1 and 2 Report on the proposed sewage treatment plant expansion in the Hamlet of Haliburton. Comments on the report may be submitted to the undersigned by September 15, 1989.

A public information session to present the report and solicit public input to the project will be held on August 15, 1989 from 6:00 to 9:00 p.m. at the Legion Hall in Haliburton.

Should you have any questions concerning the project, please contact the undersigned.

Dear Mrs. McCallum:

Please find enclosed three (3) copies of the Phase 1 and 2 Report on the proposed sewage treatment plant expansion in the Hamlet of Haliburton. The reports should be made available for public review for a period of thirty (30) days, commencing today. Those individuals wishing to provide comments on the report should be directed to submit their comments, in writing, to the undersigned by September 15, 1989.

A public information session to present the report will be held on August 15, 1989 from 6:00 to 9:00 p.m. at the Legion Hall in Haliburton. Those persons attending the session will be invited to submit their comments on the project to TSH.

If you have any questions concerning the above, please do not hesitate to contact me.
