Hazardous Waste (for example: auto batteries, cleaners, gasoline, motor oil, paint, pesticides, etc.)		
From residents	No charge at Household Waste Hazardous Waste Days	Items with the corrosive, explosive, flammable and toxic symbols should never be placed in the garbage or recycling, or poured down a drain. Instead, Dysart et al residents with valid Dysart Landfill Identification User Cards can drop off these items at one of Dysart's annual Household Hazardous Waste Days. Visit www.dysartetal.ca/hhw for upcoming event days.
From businesses or organizations	Not accepted	Due to provincial regulations, Household Hazardous Waste Days are for residents only. Hazardous waste is <u>NOT</u> accepted from businesses and organizations, including builders, camps, charities, contractors, painting companies, places of worship, restaurants, retailers, schools, etc. These businesses and organizations need to arrange private haulage and processing of hazardous waste.
