the COTTAGE KIT

the Cottage Kit is a great alternative to managing landfill cards at rental properties! If you rent your cottage you know the hassles of trying to manage your landfill cards. There is now a convenient, affordable, simple solution that your renters will appreciate as much as you will.

the Cottage Kit contains everything a renter needs to manage their weekly garbage and recycling while vacationing. Plus, it includes a one-time Landfill Pass that eliminates the need for use of your original landfill card. No more having to back-track to the cottage to leave the landfill card for the next renters. That means more time to enjoy the cottage!

In ***the Cottage Kit*** your renters will find:

- a Welcome newsletter providing an overview of our waste management programs, which may be a bit different from what renters are used to at home
- a one-time use Landfill Pass
- 1 transparent plastic bag for household garbage
- 2 transparent blue plastic bags for recyclable containers
- 1 large paper bag for recycling fibres/papers
- the Haliburton County Recycling Guide
- a map showing the location of the landfill sites
- landfill hours of operation and disposal fees if applicable, and
- safety notices from the Office of the Fire Marshall

the Cottage Kit is available for a nominal cost of **\$3.00 each or ten kits for \$25.00**. They are available for purchase at the Municipal Office or at the Dysart et al landfill sites.

Leave ***the Cottage Kit*** for each renter and never worry again about whether your original landfill card has been returned for the next person or accidentally lost by your renters.

For more information, please contact the Dysart et al Municipal Office at 705-457-1740.
